Shipping Books & Other Printed Materials

The least expensive way to ship printed matter is through the US Postal Service: www.usps.com.

Express Shipping Companies also ship books and printed materials. Some other options for shipping are listed below.

- DHL www.dhl.com
- FedEx www.fedex.com
- UPS www.ups.com
- US Postal Service www.usps.com

Media Mail provides *very* low rates for shipping of packages weighing up to 70 pounds. Contents may include many types of media (books, DVDs, CDs, computer-readable media, etc., but NOT advertising material). Prices vary based on weight, but are often much cheaper than private shipping companies.
