

**East Campus Substance Free Community
Housing and Residence Life
Duke University
2017-2018 Agreement**

The East Campus Substance Free Community exists to support students' decisions to refrain from the use of alcohol or other drugs while they pursue healthy academic and social experiences at Duke. Residents strive not only to be free from substances, but also their residual effects such as excessive noise and vandalism.

By choosing to be a resident of the Substance-Free Area on East Campus, I agree to:
(please initial next to each statement)

_____ Abide by all Duke University and HDRL policies regarding student conduct, alcohol, tobacco, and other substances
(<http://www.studentaffairs.duke.edu/conduct/resources/alcohol>).

_____ Abstain from the possession and use of alcohol, tobacco, and other illegal substances and associated paraphernalia in the residential area (including student rooms, hallways, stairwells, bathrooms, common areas, outdoor areas adjacent to the House).

_____ Properly manage any medications that have been prescribed by a doctor for my use.

_____ Demonstrate support and respect for fellow community members by refraining from any disruptive behavior as a result of substance use.

_____ Assume responsibility for my guests to uphold HRL policies, including this agreement.

_____ Assist in holding others accountable to this agreement per the Duke Community Standard.

_____ Consult my Residence Coordinator if I have any questions or concerns regarding this agreement.

I also understand that alleged violations of this agreement will be documented. HRL Staff will seek to bring about a resolution that will serve to maintain the integrity of the Substance-Free Community. Students found in violation may be subject to administrative reassignment to an alternate location on campus.
