Official Job Title: Staff Psychologist  
Working Title: Staff Psychologist  
Job Code/Level/Family: 1924/15/17  
Department: Counseling and Psychological Services (CAPS)  
Supervisor: Director  
Position Status: Regular, Full-time, Exempt  
Staff Supervision: None

Scope of Responsibilities:

Under the direction of the Director of CAPS, the Staff Psychologist will provide clinical services, supervise trainees, and engage with the campus community placing priority on the ways marginalization, discrimination, and oppression negatively impact mental health.

Duties:

- Demonstrates a commitment to dismantling systems of marginalization, discrimination, and oppression that contribute to resultant inequities for CAPS staff and the students they serve;  
- Commits to serving students, especially those impacted by systems of marginalization, discrimination, and oppression, in the places they live and learn by validating their lived experiences and engaging their resilience;  
- Commits to educating the campus community on the ways privilege is perpetuated and differentially impacts student mental health;  
- Provides individual, couples, and group services;  
- Participates in the provision of mental health triage services;  
- Administers and interprets limited assessment measures;  
- Responds to clinical and campus crises;  
- Provides supervision and seminars to assigned trainees, including goal setting, evaluations, and disciplinary action in accordance with training policy and procedures;  
- Provides campus and community engagement services through liaison relationships with faculty, staff, parents, alumni, and students; and  
- Provides campus and community level interventions that address cultural climate issues for marginalized groups.
