Duke University  
Division of Student Affairs  
Career Center  
Associate Director Position Description

Official Job Title: Associate Director, Student Affairs  
Working Title: Associate Director – Graduate Services, Career Center  
Job Code/Level/Family: 2583 / 13 / 33  
Department: University Career Center  
Supervisor: Assistant Vice President & Fannie Mitchell Executive Director  
Position Status: Regular; Full-time; Exempt  
Staff Supervision: Supervises (3) Assistant Director (direct report) positions  
Schedule Note: Ability to work occasional evenings and weekends (workshops and events) and travel for conferences, events, and relationship development.

Scope of Responsibilities:

The Associate Director, Student Affairs for Graduate Career Services is responsible for the development and leadership of Graduate student professional development services for the Career Center at Duke University. The incumbent will provide the vision to ensure that Duke Graduate students have the opportunity to explore career options and develop career decision-making skills. The incumbent leads and oversees efforts to design, deliver and evaluate services, programs that support the acquisition of professional development skills and knowledge, as well as self assessment and understanding. The Associate Director provides leadership in the development of institutional and external partnerships and communication necessary to meet these goals. The Incumbent has oversight responsibility for the Graduate Career Center team and collaborates in the management and development of budgets and funding sources for the Career Center.

The Associate Director is a member of the Career Center Leadership Team. The incumbent manages three professional staff members. This position is responsible for developing the strategic plan for graduate student career services. Associate Directors share responsibility for promoting and interpreting the vision of the Career Center within their respective areas, and for continuous improvement toward the goals of the Center.

The Associate Director, Graduate Student Services provides:
1. Strategic direction for graduate student professional development.
2. Management of the graduate team and its integration within the Career Center and the Graduate School.
3. Oversight of new initiatives to meet the needs of graduate students.
4. Leadership of the development of a comprehensive career curriculum for PhD and appropriate Masters degree students.
5. Leadership for the Career Center in vision and management of assessment initiatives.
6. Leadership for the Career Center in the articulation and incorporation of a full range of teaching and training modalities, as appropriate, across the CC curriculum.
