**Individual Counseling:**

**Counseling and Psychological Services (CAPS):** Counseling and Psychological Services (CAPS) helps Duke students enhance strengths and develop abilities to successfully live, grow, and learn in their personal and academic lives. We offer many services to Duke undergraduate, graduate, and professional students, including brief individual counseling/psychotherapy, consultation, couples and group counseling, assistance with referrals, and more. CAPS staff also provide outreach education programs to student groups, particularly programs supportive of at-risk populations, on a wide range of issues impacting them in various aspects of campus life. **Phone: 919-660-1000.** http://studentaffairs.duke.edu/caps/

**Duke Psychology Clinic:** The Duke Psychology Clinic offers short- and long-term individual psychotherapy for adults and adolescents. Occasionally, couples therapy is also available. Therapeutic work is individually focused and respects the uniqueness of the client. The treatment approach is broadly psychodynamic, although principles from a range of evidence-based treatments may be utilized depending on the nature of the client’s presenting concerns. The Clinic has a long-standing reputation in the community for effectively treating trauma survivors of both physical and sexual violence. However, the Clinic treats clients with a wide range of presenting concerns, and non-trauma cases are welcome. To obtain services, anyone interested in entering therapy at the Duke Psychology Clinic should begin by calling a Clinic Coordinator. **Phone: 919-660-5771.** http://psychandneuro.duke.edu/graduate/training/clinical/clinical

**Duke Psychiatric Outpatient Clinic (DPOC):** A hospital-based outpatient clinic, the DPOC features a large multidisciplinary team of clinical social workers, resident-level psychiatrists supervised by Duke Medicine psychiatrists, and psychiatric nurse practitioners. The DPOC offers diagnostic assessments with development of a comprehensive plan for mental health care within the broader Duke Medicine system. Psychiatric medication management is available with the resident-level psychiatrists and psychiatric nurse practitioners. These clinicians may also provide short-term psychotherapy or partner with the clinical social workers to provide this service. Clinical social workers are available to provide non-medication assessments and short-term psychotherapy. If long-term (more than 10 sessions) psychotherapy is needed, the assessing clinician will provide a referral to an appropriate provider. The DPOC is a generalized practice addressing a wide range of psychiatric and emotional difficulties. **Phone: 919-684-0105.**

**CBT Center:** Cognitive behavioral treatments are time-limited, present-focused treatments that help you better understand your thoughts, emotions, and behaviors and how they interact. By understanding and accepting or modifying these aspects of your experience, you can feel less “stuck” with symptoms and more empowered to act in accordance with your values and to move toward goals that you have for yourself. The CBT Center was founded by Drs. Jill Compton and Prue Cuper, psychologists who provide compassionate and effective treatment to clients with anxiety, mood, and personality disorders. The mission of the CBT Center is twofold: to provide excellent treatment to clients and to enhance our own and others’ clinical skills through training, supervision, and consultation. **Phone: 919-886-5058. Email: info@cbt-triangle.com.** http://www.cbt-triangle.com/contact.html

**Private Providers:** List can be obtained via DukeReach and/or CAPS Referral Coordinator.
**Substance Abuse Services:**

**DU Well, the Duke Student Wellness Center:** The Duke Student Wellness Center works with Duke students and the Duke administration to promote healthy lifestyle decision making through a variety of efforts. These include campus-wide discussions and programs in concert with faculty and staff with an emphasis on a cultural awareness of the impact that high-risk substance use/abuse has on a community. **Phone: 919-681-8421.**

http://studentaffairs.duke.edu/duwell

**Child Development and Behavioral Health:** CDBH faculty and staff include a child psychiatrist, developmental pediatrician, child psychologists, physician assistant, child psychiatric social workers, and licensed substance abuse counselors.
