The Lambda Omega Chapter of Delta Sigma Theta Sorority, Inc. held their annual Rhapsody in Red Charity Ball on January 25th at the Washington Duke Inn & Golf Club. This year being the celebration of their Centennial, the ball was titled Rhapsody in Red: 100 Years of a Global Dynasty to honor the worldwide impact of Delta Sigma Theta over the past 100 years, with a focus on the countries of Japan, Jamaica, Kenya and the United Kingdom. Elegantly showcasing the cultural treasures of these nations through savory food, delightfully comedic entertainment, international decor and a passionate speaker from our chosen charity—World Relief—they aimed to expose their guests to the importance of international awareness and involvement. All proceeds from the ball will be donated to World Relief-Durham, the Durham branch of an international organization dedicated to the yearly relocation of 7,000–8,000 refugees, who have been threatened by ethnic, religious or political persecution. Lambda Omega would like to thank all of the guests who attended dressed to impress, despite the sleet and snow! Thank you, as always, for the incredible support!
