Welcome to First Choice Leasing!
http://www.firstchoiceleasing.net

* For Visiting International Scholars and Graduate Students at Duke University and Research Triangle Park *

Do you need reliable and affordable transportation while in the United States? You will probably need a car to travel to and from work or class, and to explore this beautiful country. *First Choice Leasing* has been providing transportation to clients in Durham and RTP for over 40 years through our unique lease program. *First Choice Leasing* makes it simple and easy to lease a vehicle that fits your needs. Here is how it works:

**Lease a Late-Model Vehicle**

- North Carolina Driver’s License not required
- No credit history required
- No Social Security number required
- Peace of mind – local service and warranty
- 12,000 miles/year allowed
- Flexible – Leases as short as 4 months or up to 3 years, whatever your needs.
- No Hassle – No worry about having to find and then later sell a vehicle.
- Affordable - *First Choice Leasing* uses its buying power to make payments affordable and highly competitive when compared to buying/renting options.

**Insurance**

Automobile Insurance (Collision, Liability & Comprehensive) can be very expensive for visiting internationals. *First Choice Leasing* has arrangements with an auto insurance company to provide insurance at approximately half the cost for comparable coverage obtained elsewhere. Rates as low as $100 per month.

Expect to pay around $625/month total (car + insurance) for a 4-month lease and $525/month total for a longer lease. You will have to pay a refundable deposit, registration fees, etc.

**Let’s Get Started!!!!**
